Rename My TV Series, a tool to rename tv series episodes, has been around for a while now, and it's time for an update (the "old one" can still be found here). So I proudly present: Rename My TV Series 2. Two of the main reasons for this new version are the needed update of the user interface and support for the new API of TheTVDB.com. But there is more; macOS users wanted a 64 bit version ...
